This sixty team field is subject to all player low of the year handicaps (as of 9-1-15) being verified and valid for entry into this year's Wilshire Invitational, to be posted prior to 9-5-15.

Alternate Teams will be contacted in order of their selection as we receive cancellations. The number of cancellations varies every year, but the last three years we have had 11, 14, and 15 cancellations.

Note that during the lottery six numbers were drawn twice and thus all selections moved back six spots after number 30. Sorry for the confusion this may have caused.
